PRAYER REQUEST

March 2013

*...The effectual fervent prayer of a righteous man availeth much –
James 5:16b.*

Week One Pray for safe travel of all our officers and board members, and for the success of the MARGM national business meeting; (2) for the International Interdenominational Celebration – that persons will be saved and others delivered.

Week Two Pray that we shall receive current, up-to-date textbooks (mathematics, science, geography and English grammar) to ship to elementary schools for which we have an alliance in Kenya, East Africa.

Week Three Pray for our newly developing outreach, *Reentry Citizens Ministry*, comprised of former inmates who are endeavoring to be faithful in our Lord's service, assisting in providing resources for released, reentry citizens.

Week Four Pray for the safety and increasing gospel ministries of our assisting foreign leaders and their families in Liberia, India, Kenya and Pakistan. Pray that their biblical preaching during the periods of our Lord's Passion and Resurrection will impact the hearers for Jesus Christ.
